- (a) Unit owners who are leasing their unit as of the effective date of this amendment may continue to lease their unit as long as the unit owner continues to own the unit without regard to the 16 % maximum.
- (b) In the event a person who owns a unit as of the effective date of this amendment transfers the unit (1) during the owner's lifetime or (2) in the event the transfer occurs as a result of the owner's death, to a transferee who is a member of the unit owner's immediate family ("immediate family" defined to mean, spouse, parent, child, or sibling), or (3) or if a transfer of the unit is made by a unit owner to a trust for estate planning purposes, the transferee shall be considered to occupy the same status the transferor occupied as of the effective date of this amendment with regard to leasing the unit, except that an immediate family member transferee is (as this term is defined above) other than the spouse of a unit owner, who is under the age of fifty-five (55) years as of the date of the transfer, will only occupy the same status the transferor occupied with regard to leasing the unit only until said transferee attains the age of fifty-five (55).

Approval will be granted to the first applicants until the 16% maximum is reached. Applications for approval to lease Units received after the

maximum has been reached will be placed on a wait list for possible approval at such time the percentage interest of leased Units falls below the maximum. The Board of Directors reserves the right to move an applicant up on the wait list if, in the discretion of the Board of Directors, to do otherwise would cause extreme hardship on a Unit Owner. The Board of Directors may also grant temporary hardship exceptions to permit temporary waivers to the 16%-unit leasing limitation.

- (e) All owners are required by law to provide prospective purchasers of their units with a Resale Disclosure Certificate that must include a description of the leasing restriction and two (2) year owner occupancy requirement. Owners selling their units must advise their real estate agents and prospective purchasers of the leasing restriction and two (2) year owner occupancy requirement prior to the time that a purchase agreement for the unit is entered into between them.
- (f) The Board of Directors shall have the authority to promulgate rules, regulations, and procedures in connection with the interpretation, implementation, and enforcement of the foregoing lease restrictions.
- (g) In the event of any violation of the lease restrictions contained in subsection 6(a) above and/or any other leasing restrictions/use restrictions contained in the Condominium's Bylaws, the Board of Directors may assess a fine in an amount not to exceed one percent (1%) of the amount of the annual condominium fee for the unit, per day, for each day the violation continues unabated, provided that the Condominium follows the notice and hearing requirements set forth in the Maryland Condominium Act, Section 11-113, and/or may bring an appropriate action at law and/or in equity in a court or administrative entity of competent jurisdiction to enforce the leasing/use restrictions herein. In the event the Condominium is the prevailing party, the Condominium shall be entitled to an award of reasonable attorney's fees and costs in accordance with the Condominium's Bylaws, Article 9, Compliance and Default, subsection (b), Costs and Attorney's Fees.

The Unit Owners Association of the Fairways North at Leisure World, a Condominium hereby amends Article 5, Section 5.8, subsection (a) Restrictions, by adding the new section (13) below.

- (a) Smoking is defined as the use of any lighted legal or illegal products, smoking devices, or the use of electronic vapor smoking devices that produce airborne emissions. Smoking is prohibited in the following areas of The Fairways North at Leisure World, A Condominium:

 - 4. Within fifty (50) feet of the outside perimeter of the building, including but not limited to the front canopy, exit stairwells, garages, loading dock, parking lots, terraces/patios, fountain area, and walkway behind the building.

- (b) No unit owner shall smoke or permit smoking by any owner, occupant, agent, tenant, contractor or household worker, guest, friend, or family member. Any owner who rents, leases, or otherwise permits someone other than the owner to reside within or occupy the unit shall notify such persons within the unit that smoking is prohibited.
- (c) All owners are required by law to provide prospective purchasers of their units with a Resale Disclosure Certificate that must include a description of this smoking prohibition. Owners selling their units must advise their real estate agents and prospective purchasers of the smoking prohibition prior to the time that a purchase agreement for the unit is entered into between them.
- (d) Owners who purchased their units prior to the effective date may continue to smoke in their unit until the unit is sold or they no longer live there, whichever event occurs first. At that time, the unit shall become subject to the smoke free policy. Current unit owners (or their resident family members) who smoke must register their unit with the Association Office within thirty (30) days of the effective date of this Bylaw provision and otherwise abide by the Condominium's Rules and Regulations.
- (e) Tenants who occupied a unit prior to the effective date may continue to smoke in the unit until the earlier of the end of the current lease term or one year from the effective date, and provided they register with the Association Office within thirty (30) days of the effective date and otherwise abide by the Condominium's Rules and Regulations. Upon the earlier of the termination of a smoking tenant's lease or one year from the effective date of this amendment, the smoke-free policy would apply to the current and all future tenants and occupants of the unit.

If these measures are not sufficient to contain the smoke or odors within the unit, the unit owner/resident will be required to take additional measures, including but not limited to, purchasing and using ionizers, smokeless ashtrays, or other smoke suppressing devices as may be needed.
- (g) The Board of Directors of The Fairways North at Leisure World, A Condominium, may designate an outdoor area on the Condominium general common elements where smoking is permitted, and may renew that designation, at its discretion, on an annual basis.
- (h) If smoke or smoke odors from a unit create an unreasonable disturbance, nuisance, or annoyance to other residents after the steps described in paragraph (f) above have been taken, or if the resident or the owner of the unit in which the smoke originates has failed or refuses to take such steps after written notice from the Board of Directors, any further smoking in the unit may, in the opinion of the Board of Directors, be considered an offensive use of the Unit/Property, in violation of the Bylaws, and be barred.
- (i) In the event of any violation of the provisions contained in this Section 5.8, subsection (13) above, the Board of Directors may assess a fine not to exceed 1% of the condominium fee per day for each day the violation continues unabated provided that the Condominium follows the notice and hearing requirements set forth in the Maryland Condominium Act, Section 11-113, and/or the Condominium may bring an appropriate action at law and/or in equity in a court or administrative entity of competent jurisdiction to enforce the provisions contained in this Section and in the event the Condominium is the prevailing party, the Condominium shall be entitled to an award of reasonable attorney's fees and costs in accordance with the Condominium's Bylaws, Article 9, Compliance and Default, subsection (b), Costs and Attorney's Fees.

- (g) The Board of Directors of The Fairways North at Leisure World, A Condominium, may designate an outdoor area on the Condominium general common elements where smoking is permitted, and may renew that designation, at its discretion, on an annual basis.
- (h) If smoke or smoke odors from a unit create an unreasonable disturbance, nuisance, or annoyance to other residents after the steps described in paragraph (f) above have been taken, or if the resident or the owner of the unit in which the smoke originates has failed or refuses to take such steps after written notice from the Board of Directors, any further smoking in the unit may, in the opinion of the Board of Directors, be considered an offensive use of the Unit/Property, in violation of the Bylaws, and be barred.
- (i) In the event of any violation of the provisions contained in this Section 5.8, subsection (13) above the Board of Directors may assess a fine not to exceed one percent (1%) of the amount of the annual condominium fee for the unit, per day, for each day the violation continues unabated provided that the Condominium follows the notice and hearing requirements set forth in the Maryland Condominium Act, Section 11-113, and/or the Condominium may bring an appropriate action at law and/or in equity in a court or administrative entity of competent jurisdiction to enforce the provisions contained in this Section and in the event the Condominium is the prevailing party, the Condominium shall be entitled to an award of reasonable attorney's fees and costs in accordance with the Condominium's Bylaws, Article 9, Compliance and Default, subsection (b), Costs and Attorney's Fees.
