

# Welcome to Leisure World Golf

Leisure World of Maryland has a beautiful, heavily wooded 18-hole, par 71 championship golf course with Bermuda fairways and well-maintained greens. Planned renovations completed by McDonald & Sons in 2024 further the course's beauty and efficiency. In addition, we have a well stocked golf Pro Shop, driving range and putting green.

You and your guests can play by either paying a daily greens fee or joining the golf club as a member. Membership also allows playing in dozens of golf events, both within your gender group as well as in mixed events and over two dozen inter-club events at some of the premier golf courses in Maryland.

For more information, please contact the golf Pro Shop at (301) 598-1570.

## Associate Membership

The Associate Membership annual fee is \$1,500. The associate must be at least 21 years old and sponsored by a current Leisure World resident or associate who is responsible for their actions and conduct. They are entitled to unlimited golf and use of all golfing facilities (course, driving range, etc.). They may call to make tee times and play with no restrictions, just like resident members.

Associates over age 55 who have paid Golf Club dues (\$45), the annual tournament fee (\$45 to \$65, depending on gender and group) and MISGA dues (\$12) may participate in dozens of Golf Club events or MISGA mixers as resident members.

The number of associate memberships is limited.

## Resident Trial Membership

Current residents who have never joined the Golf Club may join for a three-month trial period for a \$250 fee. If the resident wants to continue membership for the balance of the year, the cost is \$87.50 times the number of months remaining in the calendar year. Residents paying the trial membership fee are qualified as members and, with payment of other appropriate fees, are eligible for Golf Club events.

The trial membership program is available one time only.

Interested golfers should contact the golf Pro Shop at (301) 598-1570.

## Golf Instruction

The Leisure World Golf Shop offers golf instruction at a rate of \$45 for a half hour lesson. Residents who sign up for a series of five lessons receive them at the price of four - \$180. Call (301) 598-1570 for more information.
