

CLUBS, GROUPS & ORGANIZATIONS

More than 80 resident-organized clubs are active in Leisure World of Maryland. Our residents have a broad range of interests and have a choice of groups to join to pursue them and meet like-minded neighbors.

Clubs are organized around a range of interests and affinities. Most groups are official. Some are more informal efforts. The Lifestyle Committee and Lifestyle staff work with residents to officially recognize and register organizations. The formality grants the groups access to accommodations for meetings, activities and events. All clubs are resident-run and self-sustaining.

For more information about individual clubs can be found in Leisure World News and on residents.lwmc.com > Your Community > Clubs and Organizations
