

CLUBS, ORGANIZATIONS & ACTIVITIES

More than 80 resident-organized clubs are active in Leisure World of Maryland. Our residents have a broad range of interests and have a choice of groups to join to pursue them and meet like-minded neighbors.

Clubs are organized around a range of interests and affinities. Most groups are official. Some are more informal efforts. The Education & Recreation team works with residents to register and officially recognize organizations. The formality grants the groups access to accommodations for meetings, activities and events.
