

Golf Course Calendar **2025**

**LEISURE
WORLD**
OF MARYLAND

Head Golf Professional: Richard Rosenthal
Golf Superintendent: Frank McLaughlin
Golf Pro Shop Phone: (301) 598-1570

Welcome to the 2025 Golf Season at Leisure World!

Players now can enjoy a Par 71 course that was totally renovated in 2022-2024. The well-maintained wide fairways and challenging white “Augusta” sand bunkers invite many pleasure-filled rounds of golf.

In addition, Audubon International in 2023 certified the course as a wildlife sanctuary. Its many sprawling areas of pristine nature and wildlife havens benefit our animal friends as well as all Leisure World residents.

This calendar’s design provides easy access to basic information about golf course fees and regulations plus a calendar of organized golf events as were known at the time of printing. At all other times, the course is available for open play.

Tee times must be reserved through the Pro Shop by phoning (301-598-1570). No walk-up tee times will be available. Be aware that events may be added to the schedule, and weather may impact play availability.

The Maryland Interclub Senior Golf Association (MISGA) schedule is provisional. The final schedule was not available at the time of printing.

Enjoy your rounds of golf at Leisure World of Maryland!

2. These regulations are not intended to interfere with the performance of duties on the golf course by an employee or a contractor. They do not restrict non-golfer use of the asphalt path east of Clubhouse I that runs from Gleneagles Drive to the golf parking lot. They also do not prevent non-golfer use of a 20-foot strip along Gleneagles Drive for walking a pet on a leash.
3. Except as specified in these regulations, a person may enter the golf course only:
 - a. *to play in accordance with the Golf Course regulations*
 - b. *to be spectator of a golf match when invited by the players or a sponsor*
 - c. *to participate in a volunteer improvement project approved by the Golf & Greens Committee and the Golf Professional.*

NOTE: *The only entrances to, and departures from, the golf course are through the cart path east of Clubhouse I by way of Gleneagles Drive or the golf parking lot. Carts entering from North Leisure World Boulevard must use the golf cart crossing in the median strip.*

4. Generally, the golf course is restricted to golf activity and walkers are cautioned to be alert to golf activity whenever they are on the Golf Course. The hours for walking are before 8:00 a.m. and after 6:30 p.m. daily.
5. Walkers are asked to keep the following guidelines in mind when walking the golf cart paths:
 - *Golf cart paths are for pedestrians only. For everyone's safety, bicycles, skateboards, scooters and the like are not allowed.*
 - *Stay on the golf cart paths. Walking, running, playing, etc. on the greens and fairways can damage the turf and incur costly repairs.*
 - *Do not approach or interfere with any wildlife or their dwellings.*
 - *Golf vehicles have the right-of-way on the paths. If necessary, step off the paths until the vehicle passes.*
 - *Residents use the golf course for golfing/walking at their own risk. Be careful of uneven surfaces on the golf cart paths.*
 - *Common sense should be used after 6:30 p.m. October through March when daylight hours are diminished.*

LOCAL RULES FOR LEISURE WORLD GOLF CLUB

“Any Game is more enjoyable when played within the rules!”

The rules of Golf of the United States Golf Association (USGA) Will Govern Play.

Local Rules will modify play when conditions warrant.

1. PLAY THE BALL AS IT LIES. Preferred Lies (Winter Rules) are only in effect under poor conditions or off season during Winter Play.
2. Free relief is granted for an embedded ball in the general area except in sand.
3. All WATER HAZARDS AND DRAINAGE DITCHES AND CERTAIN OTHER AREAS are marked as RED PENALTY AREAS AND DEFINED BY RED LINES AND/OR STAKES. On holes #7 and #16 ANY BALL IN RED PENALTY AREA MAY USE DROP AREA. Carts must stay on cart paths.
4. Holes #3, #7, #8 & #16, CARTS MUST STAY ON PATH. There is no fairway on these holes, play as rough from tee to green.
5. OUT OF BOUNDS is marked with WHITE STAKES and can be found on holes #1, #2, #3, #4, #5, #7, #9, #14, #15, & #17. If no stakes are in place, ROAD defines OUT OF BOUNDS on holes #1, #3, #16 & #18.
6. On #17, Rock bed just off tee near cart path is an obstruction and free relief is allowed.
7. Hole #11 is a blind driving hole. Players shall not tee off until the group ahead has rung the “All Clear Bell” or that it is verified that the hole is open. All Groups should ring the bell on #11 when all players in your group have advanced out of range.
8. All birdhouses are protected. Golf shots that may strike a birdhouse may take line of sight relief.
9. Alternative to Stroke and Distance for Lost Ball or Ball Out of Bounds:
he use of this local rule is applicable for general and casual play except when it is announced that it cannot be used for certain competitive tournaments. his rule can be used for all holes. It cannot be used when a provisional ball has been played and the provisional ball is not lost and remains in play, or when the ball is in the out of bounds areas behind #1 or

(continued on following page)

#3, or in a penalty area. When a player's ball has not been found or is known or virtually certain to be out of bounds, the player may proceed as follows rather than proceeding under stroke and distance:

For two penalty strokes, the player may take relief by dropping the original ball or another ball in this relief area (see Rule 14.3):

Two Estimated Reference Points:

- a. **Ball Reference Point:** The point where the original ball is estimated to have:
 - Come to rest on the course, or:
 - Last crossed the edge of the course boundary to go out of bounds.
- b. **Fairway Reference Point:** The point of fairway of the hole being played that is nearest to the ball reference point, but is not nearer the hole than the ball reference point. For purposes of this Local Rule, “fairway” means any area of grass in the general area that is cut to fairway height or less.

If a ball is estimated to be lost on the course or last crossed the edge of the course boundary short of the fairway, the fairway reference point may be a grass path or a teeing ground for the hole being played cut to fairway height or less.

Size of Relief Area Based on Reference Points

Anywhere between:

- A line from the hole through the ball reference point (and within two club-lengths to the outside of that line), and:
- A line from the hole through the fairway reference point (and within two club-lengths to the outside of that line).
- But with these limits, *Limits on Location of Relief Area*:
 - ▷ Must be in the general area, and:
 - ▷ Must not be nearer the hole than the ball reference point.
